

**SUPPLEMENTAL DECLARATION**

As a below named inventor, I hereby declare that:

My citizenship is stated below next to my name.

I believe I am the original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled: Forming of a Paper or Board Web in a Twin-Wire Former or in a Twin-Wire Section of a Former, the specification of which was filed with a 371 (c) date of May 24, 2005, as Application No. 10/525,275 and was amended on May 16, 2007, and January 18, 2008.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above. I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
